The Weekend of 23/24 January,
St Neots Swans swam at Biggleswade Open Meet against 27 other clubs

A total of 12 swimmers swam in 50 races

The dedication to training paid dividends as when called to respond to the strong competition it meant that 50% of the races resulted in a fantastic total of 25 PB's for the swimmers.

And the total medal haul at the end of the weekend was:

9 gold medals
3 silver medals
3 bronze medals

Very well done to all the swimmers who competed!

If you want to join them next time, pls talk to anyone who took part and had such a great time or speak to Diane Bygraves here on a Tuesday night.
